Export Placement

Are you taking a placement year as part of your degree or graduating and looking for an internship in the UK? Are you enthusiastic, numerate, IT proficient and a team player? Do you have an interest in pursuing a possible career in Export Sales when finishing university? If your answer is 'YES' we may have just the opportunity for you!

We have an exciting opportunity for a paid internship within our Export Sales Team, where you will be able to gain valuable work experience in a global FMCG company.

The Opportunity

We are seeking an intern to join our Export department, based in Folkestone, Kent, on a 12 month contract starting in July 2019.

As an Export Intern, you will work on a diverse range of tasks which will further your knowledge and skills as well as adding value to our business. During the internship you will receive a tailored induction as well as regular feedback and reviews with your supervisor.

As part of our Export Team, you will be working on tasks such as:

- Supporting the Export Project Management Team.
 - Introduction of new products through to market launch – writing of business cases.
 - Working closely with Supply Chain, Finance and Brand Teams.
- Updating and maintenance of our Extranet system for distributors.

- Supporting the European Export Business Development Manager with our Sales & Operations process. This will involve monthly meetings with Supply Chain & Demand Planning.
- Supporting Export Managers with any pre-meeting preparation work i.e. Presentations & Financial analysis.
- Coordinating artworks from organizing pack copy files, translations and artwork briefs.
 - Preparing product and pallet labels suitable for shipment.
- Collating distributor marketing activities and sharing with the business.
- Assisting with our distributor event.

Who we are looking for

We welcome applications from current students looking to undertake an industry placement year and also graduates seeking their first Export opportunity.

The ideal candidate will:

- Undergraduate/postgraduate ideally in Business Studies.
- Competent in MS Office, Word, Excel and PowerPoint.
- Excellent verbal and written communication skills.
- Able to demonstrate a “can do” attitude.
