

Join our team

Are you interested in becoming an International Logistics Coordinator? Are you able organised and able to communicate effectively with a variety of stakeholders?

If the answer is yes - then look no further. Church & Dwight UK Ltd have an exciting opportunity to join our team based in Folkestone, Kent. Previous logistics experience preferable but not necessary.

This role is based at our Kingsmead Warehouse reporting to the International Logistics Manager. This role will focus on ensuring, preparing and arranging the timely delivery of international and intercompany customers' orders.

An essential part of the role is coordinating with intercompany and export customer service teams to ensure orders are released on time and aligned to the correct date.

You will work closely with all teams to ensure the customer orders can be fulfilled on time along with ensuring the stock is available at the right time.

You will be flexible and have an eye for detail to ensure all the documentation is prepared and processed accurately.

You will support improvements to processes and share good practice within the Logistics team.

The successful candidate will:

- Have the ability to analyse and interpret data to make accurate and expedient decisions
- Have excellent organisation and time-management skills and proven ability in prioritising workload and work independently and to deadlines.
- Be commercially aware with a clear focus on driving excellent financial & commercial performance.
- Have the ability to create reports and interrogate systems
- Have excellent customer service skills with the ability to build appropriate professional, friendly and accessible relationships with people who use the service.
- Being proficient
- Have good problem solving abilities
- Foreign language an advantage
