Project Management Placement

Are you looking for an internship in the UK? Are you enthusiastic, numerate, IT proficient and a team player? If your answer is 'YES' we may have just the opportunity for you!

We have an exciting opportunity for a paid internship within our Project Management Team, where you will be able to gain valuable work experience in a global FMCG company.

The Opportunity

We are seeking a Project Management Intern to join our Project Management Team, based in Folkestone, Kent on a 12 month contract starting in Summer 2019.

This is a great opportunity to get some 'hands-on' project management experience working closely with our marketing and packaging teams in both the UK and France. You will work in a small but experienced team, who work on New Product Development as well as rapid commercialisation projects. The team is agile whilst working to a process.

As part of a small Project Management Team you will have the opportunity to take on personal responsibility for a range of tasks and projects whilst receiving a tailored induction as well as regular feedback and reviews with your supervisor.

Who we are looking for

We welcome applications from current students looking to undertake an industry placement year and also graduates seeking their first Project Management opportunity.

The ideal candidate will:

- Be an undergraduate/postgraduate ideally in Business Studies/Project Management.
- Have excellent verbal and written communication skills.

- Flexible working style who can understand how to engage with different cultures.
- Be able to demonstrate a “can do” attitude and desire to continuously improve.
- Have the ability to work as part of a team.
- Be competent in MS Office, Word, Excel and PowerPoint.
